

RETHINKING
EMPOWERMENT

Ken Neff

Rethinking Empowerment

Rethinking Empowerment addresses the confusion we face when we are told, *You should live by the power of the Spirit*. How is that reality lived out in your life and in mine? Is the Spirit the force and cause of the Christian's ability to obey God's Word? What is His role? What part does the believer play? Answering these and other relevant questions comprise the content of this book.

Contents

<i>Preface</i>	9
1 Differing Ways to View the Same Thing	13
2 Finding Insight from the Scriptures	25
